

## Responding to weather events funding allocation

## Responding to weather events

Significant weather events occurred in early 2023 causing severe flooding events in Te Tai Tokerau and Tāmaki Makaurau, which was then almost immediately followed by Cyclone Gabrielle impacting the Coromandel and the East Coast.

We responded by assisting our hauora Māori partners and service partners; \$460,000 was allocated to Northland and \$920,000 was allocated to Auckland.

A further \$8.2 million was allocated across 2022/23 and 2023/24, to hauora Māori partners for the ongoing health impacts of Cyclone Gabrielle.

Funding was allocated with a strong focus on community led initiatives that supported whānau wellbeing and the community's recovery from the impacts of the weather events. The types of funding to support whānau included: prescriptions, replacement glasses, disability equipment, safe sleep devices and cots for pepī etc; support to access counselling and other oranga hinengaro services; support tamariki, taiohi and rangatahi to return to the classroom, i.e. uniforms, textbooks, equipment; and support for kuia and kaumātua needing additional services of care.

A full breakdown of allocated funding is outlined in the following pages.

**Budget 2022 Regional allocation**

**Te Tai Tokerau me Tāmaki Makaurau**

Region	District	Hauora Māori Partner	Allocation (\$)
Northern	Tāmaki Makaurau	Te Kaha o Te Rangatahi Trust	\$20,000.00
